Term 2: Week 4, May 11th, 2015

From the Deputy Principal

Dear Parents and Caregivers,

I hope that all our mothers, grandmothers, godmothers and special people in our lives had a wonderful Mother’s day celebration last Sunday and enjoyed their gifts hand selected by their children from our P&C run Mother’s Day Stall. Many thanks to our parent helpers who assisted with operating the stalls on both sides of the school which was a huge success. It was particularly lovely to see a dad helping out.

Last Thursday we held our Annual Cross Country Carnival. Many thanks to Mrs Jurkschat and her team of teachers and parent helpers who helped make the day such a huge success. I don’t own how she does it but Mrs J must have the weather gods on speed dial because she always manages to pull off a stunning day for our sporting events. Congratulations to all students K-6 who participated in the carnival and helped raise money for our school.

Congratulations to our Boys’ Dance group led by Mrs Darby and Mrs Beck who performed at St Ives a couple of weeks ago and who have made it into the last Friday’s North Shore Times with a stunning photograph. They performed brilliantly and were such strong and positive representatives of our school.

Next week we will be holding our Kindergarten 2016 Information Evening for families to come and find out more about the opportunities and programs available at Warranee PS. The Kindergarten classrooms will be open for viewing and our Kindy teachers will be around to answer any questions. This will be happening on Monday, 18 May from 6.00-7.30pm in the School Hall. Flyers are available in both school offices. Please help spread the word.

We are now also taking enrolments for Kindergarten 2016. Please come to the front office to pick up your enrolment form or it can be found on the School Website.

Years 3 and 5 students are busy sitting their first National Assessment Program for Literacy and Numeracy (NAPLAN) test for the week beginning with Language Conventions and I could hear a pin drop in this building right now and after recess they will complete the writing assessment. Tomorrow they will sit the reading test and on Thursday the final test will be numeracy. Any student who is absent on any of the three testing days will have the opportunity to attempt the missed test/s on Friday.

Just a reminder to any parent seeking opportunity class placement for Year 5 entry in 2016 for their Year 4 child are required to submit an application online by this Friday, 15 May 2015.

Further information regarding the OC application process can be found at the following website: www.schools.nsw.edu.au/ocplacement.

Thank you to Mrs Newland and Miss Hough who presented an informative session at last night’s P&C meeting on iPads in the classroom. They showcased some wonderful student learning and projects using iPads which included iMovies, storyboards, maths and the real world and much more. It was a joy to see such fabulous integration of learning occurring and the collaboration, skills and confidence in which students use technology.

The Year 6 Farewell Committee has been able to secure a date and a new venue this year. We will be holding the Year 6 Farewell on Monday, 14 December at Warranee Bowling Club and this year it will only be for Year 6 students. Over the time numbers have continued to grow at our school and to make the event more manageable we have decided to try something a bit different this year. More information to come from the committee.

Michael Gerard who specialises in playground design will be coming to our school on Thursday after recess to meet with some of our SRC students to get their ideas about what they would like to see in our playground and how it can be improved. Michael and the students will be looking at the area between the netball court and the demountable and hopefully he will also be able to address the drainage issues we have in that area.

Congratulations to our two dance groups led by Miss Kaslar and Miss Hough who have been successful in auditioning for the Northern Sydney Dance Festival to be held at the Glen St Theatre later in the year. A special thank you to both teachers for their time, effort and dedication in training these two very talented dance groups. We wish them all the best and look forward to the performances of both groups over the course of the year.

Next Monday, 18 May we will be holding our K-6 assembly in the school hall at 1.35pm. Kim Pearce and Kath Davis will be our special guests. Everyone is welcome to attend.

Thank you for your continued support of our school community. Warranee is a great place to be!

ANNUAL SCHOOL CROSS COUNTRY- THURSDAY 7TH MAY REPORT

What beautiful weather greeted us as we headed for Turramurra Oval last Thursday for what was yet again an event where all the school community pitched in to assist in helping students and staff alike, enjoy the Annual Cross Country Carnival. Many thanks must go to the teaching staff and parents who helped on the day as well as those parents, who, whilst absent at work, still gave by organising food for our fabulous helpers and staff.

Congratulations to all students who competed in the carnival. Each race was a sea of house colours with enthusiastic running in each event. The results of the carnival can be found on Page 5 of this newsletter. The top six competitors in all races except the fun run will participate in the Hornsby Zone Cross Country Carnival to be held at Rofe Park on Monday 25th May, 2015. A bus will be organised and permission notes handed out this week.

The house points were:
4th: Paterson 169
3rd: Gordon 189
2nd: Lawson 201
1st: Kendall 239.

Congratulations to Kendall for winning this year’s Cross Country Carnival.

WINTER PSSA

It was definitely third time lucky as our teams took to the courts and fields for their first game of the winter season. Please be reminded that games are played in the afternoon with games starting at 12.45pm.

Results of last week’s games are:

This week the soccer and netball teams will play Hornsby South at Montview oval.

IMPORTANT FOR ALL PSSA PLAYERS

For Fridays those children playing in PSSA teams of netball, soccer and AFL cannot order hot food. You are also asked to tick the PSSA box advising the canteen that an earlier order is required on Fridays. Small prizes will be handed out to all children whose orders are correct this Friday.

GOOD LUCK

We wish Mitchell K from 6S all the very best when he and the Sydney North team compete in the state AFL carnival next week.

WALK SAFELY TO SCHOOL DAY

On Friday 22nd May it will be National “Walk to School Safely Day”. It is a day when we promote the many benefits of communities using healthy and safe ways to travel.

The objectives of WSTSD are:

- To encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour.
- To promote the health benefits of walking and help create regular walking habits at an early age.
- To ensure that children up to 10 years old hold an adult’s hand when crossing the road.
- To help children develop the vital road-crossing skills they will need as they become mature pedestrians.
- To reduce the car dependency habits that are being created at an early age and which will be difficult to change as children become adults.
- To promote the use of Public Transport.
- To reduce the level of air pollution created by motor vehicles.
- To reduce the level of traffic congestion.

So.................teach your child safe ways to cross the road, get your heart rate up and your FitBit spinning, show your child how to walk safely around the streets, create new and healthy habits, spend quality time with your children........ and “Walk Safely to Warrawee” on the 22nd May!
CROSS COUNTRY RESULTS: YEARS K-2

The K-2 Cross Country Carnival was held last Thursday on the school grounds. It was amazing to see just how many outstanding runners we have at Warrawee. We were extremely proud of the way every child tried their hardest and never gave up during this long distance race. It was lovely to see the way in which the children supported their peers as they ran past.

Thank you to all the parents who helped out during the carnival by standing around the track and directing children or by handing out ice blocks to exhausted runners.

Congratulations to the following runners:

NEPAL FUNDRAISER

Dear Parents & Carers,

Classes 3M and 5K would like to support UNICEF’s care of children in Nepal following the 7.8 magnitude earthquake on 25th April. Their relief response includes nutrition, clean water and rebuilding schools.

We will be selling biscuits on Wednesday, 20th May. They will be made by the students, with ingredients paid for by the students. They will be on sale at recess, under the 3-6 COLA, for $1.00 each.

Please bring your money and support our biscuit stall, thank you.

Mrs Miller & Miss Kaslar.

Mother’s Day Stall

All gifts were sold thanks to the amazing help and support we received from the school community!

Thank you to all the parents who helped man the stalls on both the Infants and Primary sides. And for many, many parents who blindly handed over money and entrusted their littlies to buy a gift, we couldn’t have done it without you all! Thank you.

Warm regards,
The Warrawee Social and Fundraising Committee
**SOCIAL & FUNDRAISING TEAM NEWS**

**DO YOU HAVE EXPERIENCE IN WRITING GRANTS SUBMISSIONS?**

In order to continue to support our school and provide the best facilities, resources and educational experiences for our children, the P&C would like to ensure that any community grants we may be eligible for are explored and responded to accordingly.

To this end, the P&C is looking for an individual to lead us on identifying appropriate grant opportunities and compiling the subsequent grant submissions.

If you are interested in volunteering your time to help and have experience this area (whether within an educational institution setting or otherwise) we would be delighted to speak with you.

Please contact Sam Williamson, P&C President via email: president.warraweepandc@gmail.com

Thank you

Do you know a teacher who always goes the extra mile for their class?

Great teachers do more than just teach the curriculum. They go above and beyond to nurture students, shaping and influencing futures. Generous with their time, they help our kids develop skills that last a lifetime.

A Day Made Better gives parents, students and fellow staff members the opportunity to recognise exceptional teachers. Over the last four years, thousands of primary school teachers have been involved in the programme and this year, for the first time we’re delighted to announce secondary schools will also be included.

The 10 most deserving winners will each receive a surprise event from the A Day Made Better Team, prizes valued at $2,000 and an Apple iPad for their classroom. They’ll also enjoy nationwide recognition, both personally and for their school.

So if you are a parent, student or fellow staff member, or have simply ever known a teacher that goes above and beyond to make learning better, show your support and nominate them today.

The 2015 Entertainment Book is now here! Book membership customers will receive one sheet of extra vouchers and digital membership customers will have the same offers sent automatically to their phone.

positive partnerships
supporting school age students on the autism spectrum

Free two day workshop and information sessions for parents and carers of school age children on the autism spectrum

Workshop: 2015NSWPCS Location: Epping

Like all school age students, children with autism spectrum disorder benefit from strong, positive relationships between the home and school. Positive Partnerships uses evidence-based materials and practical resources to help support these relationships by facilitating workshops for parents and carers.

What will you learn?
When you come along to a Positive Partnerships workshop, you will:
• Develop a greater understanding of the impact of autism on your child, both at school and at home
• Understand how to develop effective parent, school and teacher partnerships
• Learn specific strategies that will help you:
  - Advocate for your child
  - Support your child’s participation at school
  - Develop an awareness of ongoing learning needs
• Receive information about your local school system’s processes
• I have the opportunity to network and share strategies with other parents/carers and key community members
• Have the opportunity to discuss a range of topics relevant to students with ASD and their families

People who work to support families living with autism in your community will also be invited to take part with the goal that there is an ongoing community focus beyond the workshop.
