Dear Parents and Carers,

Last night we held our Kindergarten Information Evening for 2016 enrolments. The evening was very well attended and the visiting parents enjoyed hearing about the programs at Warrawee. If you have a child commencing school next year please complete an enrolment form and send it in to the office at your earliest convenience. This will enable us to pass on information concerning future events as it becomes available. If you are aware of others intending to enrol a child at Warrawee next year it would be helpful to pass this information on to them as well. Our teachers did a wonderful job presenting information about the school as did our 2015 school captains, Phoebe and Rudy, who spoke happily about their experiences as Warrawee students.

Today some of our Year 5 and 6 students are attending the CARES program at St Ives. This program teaches children about bicycle safety and general road safety.

Last week I received a call from one of our parents about children crossing the road in a dangerous manner. Please remind your children to stop, look and listen when they cross the road. Teachers are conducting road safety lessons in class and I reminded the children about safe practices yesterday at Assembly but it appears that they can never have too many reminders. I regularly receive calls regarding dangerous driving practices, by our parents, around the school as well. Please take care and follow all road and parking rules in order to make our school the safest it can possibly be for our children.

This Friday, 22 May, is National Walk Safely to School Day. If you would like your child to participate in this program but normally drive, you may choose to park further away from the school and allow your child/children to walk a block or two to school.

Last week’s NAPLAN tests ran smoothly and the students worked well on each task as they all tried to do their very best. They are all to be congratulated on their positive attitude and amazing effort.

Last week Mrs Ash, members of the SRC and I met with Michael Gerrard, a playground designer, to share our ideas of the perfect playground. The contributions of the students were fantastic. They were insightful, sensible and very clearly represented the views of children. The meeting provided an opportunity for the students to be involved in finding solutions to drainage issues, shade issues and the play requirements of 300+ students. Michael has now gone away to design a plan that will turn the ideas into reality.

Our Year 5 debating team will be in action later today against Lindfield PS. The topic to be debated is that ‘Children should only watch television on the weekend.’ Our team is the affirmative team. Good luck to our debaters.

Kind Regards,

Carrie Robertson
Principal

Reminder:
5K & 3M will be selling biscuits on tomorrow, 20th May, to raise money to support UNICEF’s care of children after the devastating earthquake in Nepal.

The biscuits will be on sale at recess, under the 3-6 COLA, for $1.00 each.
SPORTS NEWS

ANNUAL SCHOOL CROSS COUNTRY:
Thank you to all the families of children who have returned their permission notes for the Hornsby Zone Cross Country Carnival being held next Monday 25th May.

All notes have been asked to be back with me with required money by Thursday 21st May so that I can ensure that we have a full team.

A second note is coming out tomorrow in case the first one has not quite made its destination home. We wish all our runners the very best of luck next Monday.

For that day each competitor will receive a school shirt to wear for the competition. We ask that the children take them home after the event, have them washed and that they are returned in a named bag please.

Thank you too, to all the wonderful children and their families who have worked hard to organise donations from the cross country. We do know that Grace P from 4W has done a fabulous job already.

We have decided to make the last day for donations Friday 29th May, 2015. Prizes will be handed out in the assemblies during the following week.

Thank you so much.

SCHOOL PHOTOS

PHOTO DAY
All class, individual, sibling and special photos will take place on Thursday 4th June 2015. On this day students must wear full winter school uniform and polished black shoes. Girls with long hair are to have it tied neatly, preferably with a red ribbon.

Band students will need to have their instruments with them and be ready for their photos at 8:30am under the Primary COLA before school commences.

All students will receive an envelope, which parents will need to complete and return to the class teacher by or on photo day. Each student is to have his or her own envelope. Please read the envelope for details on payment methods.

If you would like a sibling photo taken, a separate envelope is needed. The sibling photo envelopes will be available in the Infants and Primary offices. This envelope will also need to be at school on the day of the photos or before.

If students do not return photo envelopes they will still have their photos taken but will not receive a copy. Photos normally arrive back at school within four weeks of being taken.

All Sport photos will take place on Wednesday 3rd June 2015. Students must wear sports uniform for these photos.

The Sport and special photos will be put on display at the 3-6 canteen area and orders will be taken.

Many thanks,

Miss K Ferguson
Photo Co-ordinator

I am writing in my capacity as the minister responsible for the oversight of Special Religious Education (SRE) at Warrawee to reassure parents that SRE lessons are only conducted at Warrawee Public School using authorized curriculum material. There has been some discussion concerning SRE in the media recently, sparked by an article in the Sydney Morning Herald titled ‘Scripture classes: Calls for crackdown on public schools’ (06/05/15). There are both inaccuracies and the omission of key information in this article.

The article raises concerns about a book entitled Teen Sex by the Book by senior lecturer with the Sydney Medical School at the University of Sydney, Dr Patricia Weerakoon. Contrary to the assertions made in the article, this book has never been a part of any SRE curriculum. The book is written for a Christian audience, intended for use by Christian parents and church Youth Groups. The book advocates a traditional Christian view of marriage and sexuality, and (not surprisingly) encourages monogamy and faithfulness in marriage.

The DEC purported to ban this book on the basis that it breached the DEC guidelines for teaching sexuality to young people, which do not allow the privileging of monogamous marriages over (for example) promiscuous sexual behaviour. However, since this is not a book in use in SRE, and not part of the SRE curriculum, the DEC’s purported ban is without effect.

The DEC has also suspended use of two books which were on the SRE curriculum for High School (Year 9) SRE - John Dickson’s book A Sneaking Suspicion and Michael Jensen’s book You: An Introduction. These books were not being used at Warrawee Public School.

I would be more than happy to discuss any aspect of these books or the SRE curriculum at Warrawee Public School, with any interested parties. I can be contacted via email at rev.stead@stjames.info.

**WALK SAFELY TO SCHOOL DAY**

Walk Safely to School Day - Friday 22nd May

Friday is NSW’s annual “Walk Safely to School Day”.

We would like to encourage as many children as possible to make some part of their journey to school on foot. This is a fantastic day for parents to teach their child safe ways to travel around the neighbourhood. It is a healthy start to the school day and a great opportunity to have a good chat with your child.

The objectives of WSTSD are:

- To encourage parents and carers to walk to school with primary school age children and reinforce safe pedestrian behaviour.
- To promote the health benefits of walking and help create regular walking habits at an early age.
- To ensure that children up to 10 years old hold an adult’s hand when crossing the road.
- To help children develop the vital road-crossing skills they will need as they become mature pedestrians.
- To reduce the car dependency habits that are being created at an early age and which will be difficult to change as children become adults.
- To promote the use of Public Transport.
- To reduce the level of air pollution created by motor vehicles.
- To reduce the level of traffic congestion.

On Friday morning from 8.30 on both the K-2 and 3-6 side there will be the opportunity to buy a small breakfast treat. So walk to school this Friday and enjoy a healthy treat when you get there.

**Debbie Bell**

The Warrawee Cafe will have a breakfast stall on the Infant’s side this coming Friday for Walk to School Day. They will be open from 8.30am. $1.00 will buy a mini muffin, or a Just Juice and $1.80 for a cheese and bacon roll. Hope to see you there.

**NEPAL FUNDRAISER**

Dear Parents & Carers,
